

NU-GUARD

SC-P FR

NU-GUARD SC-P FR is a flame retardant self-closing knitted sleeve made of PET monofilament and texturized multifilament. Its scroll-shaped design is ideal for reworking components without disconnecting them and ensures a high abrasion protection with a 90° minimum overlap.

PRODUCT FAMILY: Self Closing Sleeving

CONSTRUCTION & MATERIALS: Knitted PET monofilament & texturized multifilament

STANDARD COLORS: Black

TEMPERATURE OF USE: -40/150°C (-40/302°F)

TYPICAL APPLICATIONS:

- Railway
- Maritime
- Renewable Energies
- Machinery & Installations

PRODUCT CERTIFICATIONS

- File: E131769 Vol. 1 (UZKX2)
- ASTM E 162 - Surface Flammability
- ASTM E 662 - Rate of Smoke Generation
- Bombardier SMP 800-C - Toxic Gas Generation
- RoHS
- REACH
- CMRT
