

NU-GUARD

SC2-P ADH

NU-GUARD SC2-P ADH is a self-closing knitted sleeve made of PET monofilament and texturized multifilament. Its scroll-shaped design allows easy installation without disconnecting components then secured thanks to its adhesive closure avoiding any wire exposure risk. It ensures a good abrasion protection with a 90° minimum overlap.

PRODUCT FAMILY: Self Closing Sleeving

CONSTRUCTION & MATERIALS: Knitted PET monofilament, texturized multifilament & acrylic adhesive

STANDARD COLORS: Black

TEMPERATURE OF USE: -40/150°C (-40/302°F)

TYPICAL APPLICATIONS:

- Lighting
- Machinery & Installations
- Recreational & Marine vehicles
- Heating & Sanitary

PRODUCT CERTIFICATIONS

- File: E131769 Vol. 1 (UZKX2)
